A NEW AGE AND MODERN HOTEL, JÜSTA SAJJANGARH RESORT & SPA IN UDAIPUR OFFERS A MOTLEY SET OF EXPERIENCES THAT ARE NEW AND YET ROOTED IN TRADITION. BY BINDU GOPAL RAO

**A**s I looked outside my flight window as we neared Udaipur, my thoughts said one thing — this place is so green. All I could see was a carpet of green courtesy the lush green landscape that was like a beautiful carpet from atop. And through the 45 minute journey I saw many shades of green as I approached the Lake City's newest hospitality address at the jüSTa Sajjangarh Resort & Spa. Located atop a scenic hill, overlooking the Sajjangarh Biological Park and Monsoon Palace, this hotel has a view of the tree-laden Aravalli hills unlike most of the city that overlooks the lake.
